

The Australian Society for Medical Research

Dear Colleague

Welcome to the ASMR Membership Directory, an initiative to promote communication and collaboration between health and medical researchers in Australia. The web-based search engine will be a key networking resource available to all ASMR Members **and** will include:

- Position and professional address (including telephone, fax and email)
- Degrees
- **Membership of other** societies
- Website address for individual members
- Four key words/phrases (research interests)

Individual members can update their addressing or other information via password access to the Directory.

ASMR's Member Directory is to be openly available to the public, be searchable by surname and by research interest.

To be listed in the Directory you must complete, sign and date the form on the reverse side and return by mail or fax to ASMR.

The ASMR Member Directory is proudly sponsored by ISTH2005 Ltd.

Don't miss this opportunity to be included in this important interconnecting resource.
