

The Australian Society for Medical Research, as a part of ASMR Medical Research Week[®] 2009 presents:

The New South Wales Secondary Schools Medical Research Quiz 2009

The Medical Research Quiz

An online, 20 question, multiple choice quiz that will test your knowledge, exercise your mind and inspire your imagination.

Teachers

Get your year 7-12 students involved in **Medical Research Week[®]**. The quiz is an accessible, entertaining and challenging learning activity that can be conducted in one classroom lesson. The quiz questions are designed to complement the current HSC biology curriculum. Practice by using past quizzes (with answers and web-links).

Students

You can do the quiz in the classroom, library, at home or anywhere there is internet access.

Enter Online at:

<http://www.asmr.org.au/MRWNSW.html>

Entries open May 1st, and close June 30th 2009.

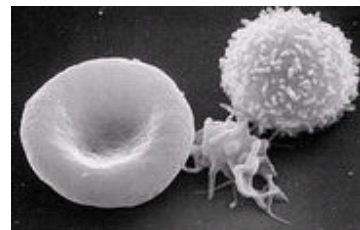

Prizes

Prizes: The winner and runner up in each category (Year 7-9 and Year 10-12) will receive a prize!

Winners and top ranking entries in each category will also receive a certificate of merit.

School visits

Meet a real – life medical scientist. By arrangement, a medical researcher - ASMR representative, can visit your school to present winners with their prizes or to give a careers talk at metropolitan schools at any time during the year.
